JAN 2026 COHORT

APPLE FOUNDATION PROGRAM AT UTS.

Are you passionate about making a positive impact in the world?

Join us at the Apple Foundation Program at the University of Technology Sydney (UTS)! A **FREE** challenge-based learning experience exclusively for those of **asylum seeker or refugee status**. You'll solve real-world problems, collaborate in diverse teams, and design apps using Apple's iOS ecosystem. Build future-ready skills at the intersection of technology, creativity, and entrepreneurship.

WHEN 9:30am - 2pm Monday-Friday (In-person)

DURATION 3 Weeks (12th - 30th January 2026)

WHERE Only a 10-minute walk from Central station!
Address: UTS Building 11, CB11/81-113 Broadway, Ultimo NSW 2007
Room: Apple Foundation Program Space (CB11.03.300)

Kickstart your journey as an iOS developer, no prior knowledge in coding required!

Get hands-on with *Swift* (Apple's powerful programming language) and bring your original app idea to life. Along the way, you'll build highly transferable skills in coding, design thinking, storytelling, prototyping and more. More perks include:

- A Certificate of Completion
- Access to an exclusive Alumni Community
- Free use of the latest Apple devices during the program

How to Apply?

1. Check your Eligibility:

- You must be of Asylum Seeker or Refugee status, with proof of documentation.
- Aged 18 years or older.
- Intermediate English speaking & writing skills
- Intermediate computer skills (sending emails, writing documents etc.)

2. Submit your Application:

Scan the QR code and fill out the registration form.

Applications Deadline: 15 Dec 2025

The program at a glance...

Over three dynamic weeks, you'll be guided by expert mentors and powered by cutting-edge Apple technology, to help you turn your ideas into real app prototypes.

3 Weeks		
Design Session	Coding Session	Showcase
6 DAYS	8 DAYS	1 DAY
Investigate, ideate and create a solution for your chosen problem.	Develop your solution in guided sessions with a dedicated coding mentor team. The sky is the limit!	A chance to pitch your product.
